Who we are?

Polidomes is a leading designer and manufacturer of geodesic dome tent structures

(6m to 50m), as well as technological integrator of 360° immersive - experience hardware solutions for domes.

We are full solution providers for all event related services and world's largest supplier of additional equipment for geodesic dome tents.

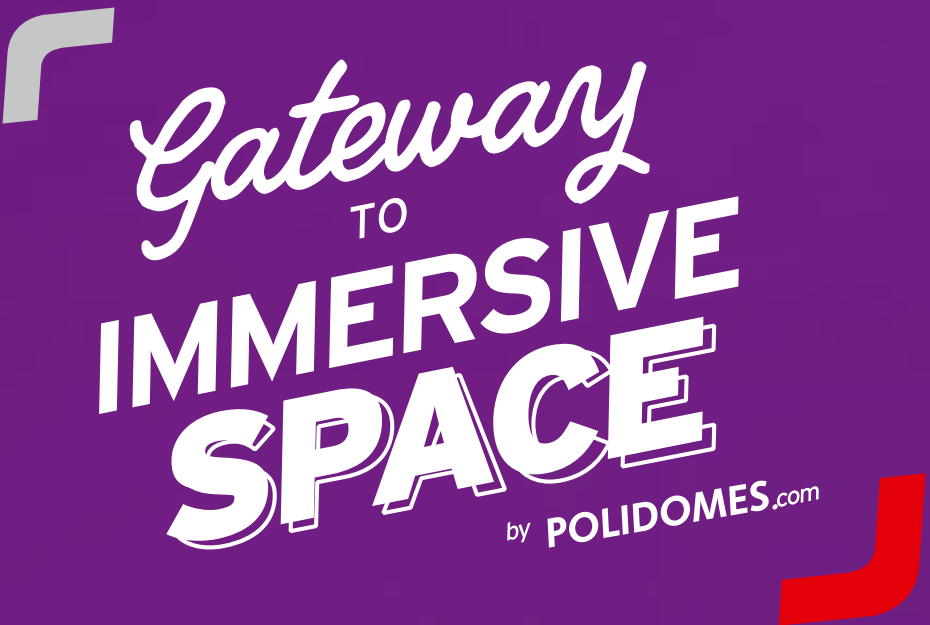

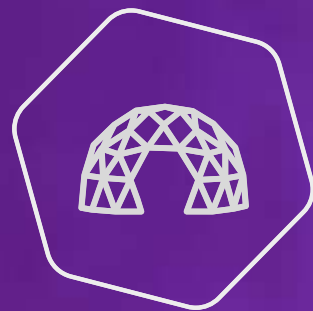

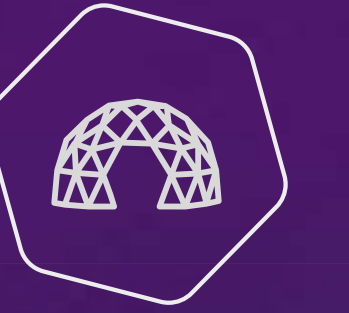

We specialize in fast, accurate production, delivery and assembly of fully equipped, made-to-order, geodome structures both for sale and rent worldwide.

Serving Major Clients Worldwide

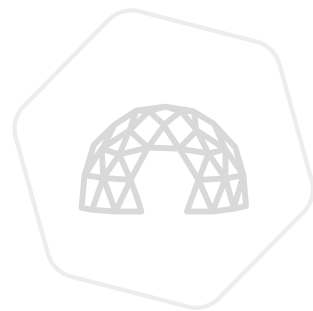

Why Polidomes?

We are the only company in our field to make 99% of our products ourselves, with our own employees and our own production equipment.

01

Personalized
zoom

After initial contact, we arrange a Zoom call to discuss your project's goals and results you want to achieve

02

Concept Development
& Graphic Design

Our design experts create 3D graphic illustrations for your approval

03

Client Approval
& Contractual
Agreement

Once the plans fully meet your expectations we prepare a budget and time-schedule for your approval

04

Production

99% of the parts are manufactured in our modern factory where they undergo close inspection

05

Shipping
& Delivery

Project parts are carefully packed and prepared for shipping

06

Training
& operation

We offer full operation of the dome by our own team or training & support of your own team

07

Assembly

We have highly-trained assembly crews that have worked in all parts of the world and all climates

08

Ongoing Service
& Support

We provide ongoing service and support should the need arise. Our team is ready to serve you 24/7

Event solutions

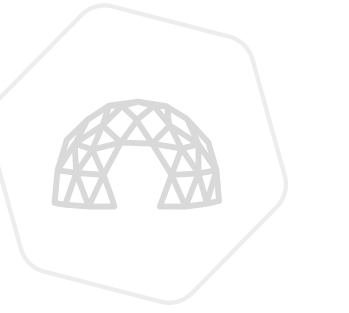

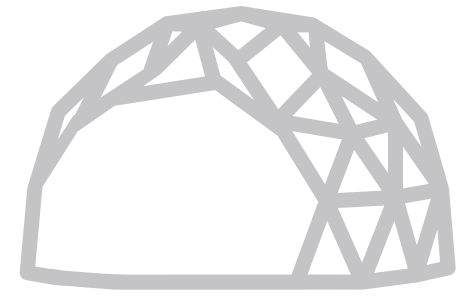

Amphitheatre

Our Amphitheatres come in all sizes. Perfect for any size events.

Open Dome Amphitheatres provide perfect acoustics for an open dome stage cover.

If you want to host a small event or plan to host thousands, our Amphitheatres are the perfect outdoor solution. Our high quality geodesic Amphitheatres make any event spectacular.

Luxury Glamping

Glamorous + Camping
= Luxury Camping

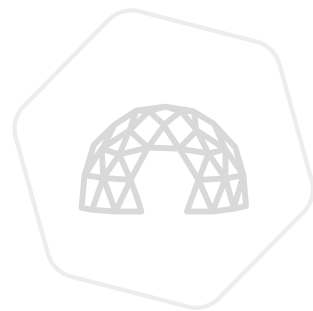

Although sleeping in a tent can be plenty of fun with a return to nature, fresh air, sleeping bags and all that ...most people are looking for their stays in the outdoors to be more comfortable.

Glamping, or „luxury camping“, has become increasingly more popular and opens a whole new perspective to camping.
